REACH FOR THE SKY

Nestled within the lush natural landscaping overlooking the verdant Laguna Phuket Golf Course, Skypark Celeste Laguna Phuket offers owners a tranquil place to call home. Skypark Celeste Laguna Phuket provides residents peace of mind with affordable live-in condominiums that add convenience and style to tropical living.

Residents enjoy exclusive access to leisure facilities on the rooftop, which also offers relaxing areas and doubles as a community meeting space. The development's buildings are linked together with sky bridges surrounded by greenery, lagoon views and glimpses of the ocean. The skypool and unique sky jogging track allow residents to stay healthy while enjoying the beautiful outdoors.

PREMIER DESTINATION RESORT

Overlooking the top-tier Laguna Phuket Golf Course, Skypark Celeste Laguna Phuket occupies a prime location inside Laguna Phuket, Asia's finest integrated resort, and puts residents within close proximity of the three-kilometre-long Bang Tao beach. Residents have access to the inter-resort shuttle service to enjoy the facilities of five star resorts and deluxe leisure pursuits within the award-winning complex.

In addition to the choice of luxurious spas, upscale resorts, facilities and activities within Laguna Phuket, residents are also well placed to make the most of lifestyle attractions such as the nearby Boat Avenue shopping complex and the Central Porto de Phuket boutique retail and dining complex.

OVERLOOKING THE TOP-TIER LAGUNA PHUKET GOLF COURSE

THE SKY IS NOT THE LIMIT

Inspired by the spontaneous pattern of Thai vernacular riverside villages, the development comprises low-rise buildings. The buildings' V-shapes maximise the views over the golf course and feature outdoor functional spaces that extend into the nature surrounding the project. This unique configuration is captured and translated into a contemporary design narrative with a crafted mix of unit designs based on studio, one- and two-bedroom configurations. Further flexibility is also provided with a range of unit fit-outs including fitted with built-in furniture and appliances and fully furnished options. The choice is yours.

Reaching for the sky, the well-planned rooftop facilities allow residents to make the most of the great outdoors and include an infinity-edged pool with jetpool and a unique sky running track. The al fresco social hub also features a large BBQ area, spacious sky deck, yoga space and open, lawned relaxation area with green landscaping and a panoramic view point offering sweeping vistas of the tropical surroundings.
